MEMORANDUM FOR: Director, Office of Intelligence Research
Department of State 25X1X7

SUBJECT : State Representation - [REDACTED] Discussions of Soviet
Bloc Rubber Position

REFERENCE : Your memo, subject as above, dated 9 September 1952

1. This Office is agreeable to participation in the above discussion of Mr. Gordon Tiger of DRS.

2. [REDACTED] advises us by cable that they have no objection to Mr. Tiger's participation.

3. It is understood that expenses of sending Mr. Tiger to [REDACTED] are to be borne by the Department of State. 25X1X7

4. It should be clearly understood that Mr. [REDACTED] of this Office is the head of the U. S. team participating in these discussions and that he has authority as such, e.g. to resolve intra-US team differences. 25X1A9a

5. You may recall that this Office requested the Department of State's permission to send observers last spring to the Ottawa meeting of the International Rubber Study Group and was turned down. I realize that the R Section did not make that decision and I merely raise the point here in the hopes that we may enlist your cooperation in sending our personnel to conferences, etc., under the jurisdiction of the Department of State whenever material intelligence advantages may be achieved thereby.
